Dear Parent or Guardian of Ryder P. Michael:

All references to “you” or “your” in this letter refer to the child, Ryder P. Michael.

We have reviewed your application for Department of Veterans Affairs (VA) education benefits and made a decision regarding your claim for the Survivors’ and Dependents’ Educational Assistance program.

Certificate Of Eligibility

Congratulations! After reviewing your application, we have determined that you are **eligible** for education benefits from your parent under the Survivors’ and Dependents’ Educational Assistance program.

We are basing our decision on information received from the Veterans’ Service Center regarding your parent, GEORGE SABIAN STEWARD. We also reviewed the information you provided with your application and VA education records.

You have 36 months and 0.00000 days of remaining benefits as of the date of this letter because (38 CFR § 21.3041, CFR § 21.3044, 38 CFR § 21.3046, & 38 CFR § 21.3511):

- You originally had 36 months and 0.00000 days under this benefit
- You have used 0 months and 0.00000 days under this benefit

The effective date of your benefits is May 13, 2020. This date is based on the parents' marriage effective date (38 U.S.C. § 3512).

Although your begin date to use benefits is May 13, 2020, we cannot pay you benefits prior to March 19, 2025. VA regulations prevent payments for training you took more than one year before we received your initial application for DEA benefits. We received your claim on March 19, 2026.

Your benefits do not have an expiration date because you became eligible for DEA benefits on or after August 1, 2023 (38 U.S.C. § 3512).
